

## SPOD TO SPOD

### Introducing...Iris

**Trinity:** Welcome to the very first edition of Spod to Spod! I am your host, Trinity, and today we're here to talk to Iris! Iris is one of TCZ helpers, always dresses in red while in-game and spams us with tournaments! But we love it! Welcome, Iris! How are you?

**Iris:** I am well thanks :)

**Trinity:** Great great. You ready to get started?

**Iris:** Yes, I am :)

**Trinity:** Perfect, let's start with some serious questions! First one - How long have you been connecting to TCZ?

**Iris:** So I first connected in 1999, so 21 years minus the down time would make it 12.

**Trinity:** Wow. That's FOREVER! Nice. What is your favourite thing to do on TCZ?

*[AUDIENCE] MrFrog answers "To sing Barbie!"*

**Iris:** I enjoy hosting tournament games and playing them and course chatting with my fellow spods.

**Trinity:** Excellent. So tell us, what made you want to become an Assistant?

**Iris:** Well I enjoy helping others and thought this was a good way to help new users and even some old ones as well.

*[AUDIENCE] Sonya answers "And you are a great helper!"*

**Trinity:** Sounds legit. So in the millennium you've been connecting, what would you say is your favourite TCZ memory?

*[AUDIENCE] Matt answers "Why do you reconnect more than anyone else put together? ;)"*

**Iris:** Wow, I have a lot of memories. I do not have a favorite memory as much as I cherish the people I have formed friendships with over the years.

**Trinity:** Sounds like a cop out! ;) I'll allow it, for now. One more question before we move into the fun questions - what were you doing with your time before TCZ came back?

**Iris:** Well around the time TCZ went down, Thunder was 2 years old. So I was a stay at home mom for 2 kids until 2013 when it became 3. Last year I started working part time as a personal assistant for a home health agency.

**Trinity:** Alright, that ends the boring questions. Ready for the next set?

**Iris:** As ready as I will ever be.

**Trinity:** So, I've been thinking about your tournaments. Tell us, when will you be doing a strip poker tournament? What about beer pong?

**Iris:** Well Beer Pong sounds like fun! Now the strip poker, that will be a hard pass for me, but cheers to anyone else who wants to do that.

*[AUDIENCE] SnArF answers "Count me in!"*

*[AUDIENCE] Sonya answers "I feel like nate would be into the poker;)"*

**Trinity:** I see I see. Okay. I also noticed that you're number 1 in yahtzee. What tips can you share for cheating at Yahtzee? :)

**Trinity:** Ok this next question was submitted anonymously.

**Trinity:** Would you rather be bald or covered head to toe in hair?

**Iris:** I guess I would rather be bald, I could always wear some cool wigs. Maybe a Mohawk?

**Trinity:** Very good point!

**Trinity:** Ok! Now... Who shot first, Han or Greedo?

Iris asks who Han and Greedo are over zoom...

Trinity resets your assistant flag

**Trinity:** STAR WARS WOMAN.

**Trinity:** Sweet lord save us.

**Iris:** I believe it was Hans, but my memory is hazy

**Trinity:** Okay then, how about - is cereal soup? Why or why not?

**Iris:** That is a very odd question.

**Trinity:** What. It has liquid.

**Trinity:** So does soup.

**Trinity:** So is it soup or is soup cereal?

**Iris:** But of course its not soup! Its not cooked or hot... Its just cereal and milk...

**Trinity:** Alrighty! As an American, why does country music taste like tears?

**Trinity:** Ok. Now for something serious - if you could shoot one condiment from your belly button, what would it be and why?

*[AUDIENCE] Russ answers "Its because listening to country music is the equivalent of getting very drunk, and desperately trying to teabag yourself."*

**Iris:** I havent tasted country music so I have no idea. But I have listened to it and it can be a bit sappy at times.

**Iris:** Hahahahahahaha.

*[AUDIENCE] Russ answers "Mayo. Obvs."*

**Iris:** Ketchup it looks like blood and I could trick people ;)

**Trinity:** Grooooooosssssssss.

**Trinity:** Okay then. How about - if you had to eat a

...eating at PanZee: ;)

**Iris:** Trick dice, lol :)

Trinity makes notes.

*[AUDIENCE] SnArF answers "I knew it! Cheater!"*

**Trinity:** Excellent. So let's switch gears a little bit.

**Trinity:** We all know you have three kids so my question is, why are none of them named Monster?

**Iris:** There isn't enough room in this world for another Monster.

**Trinity:** I mean that is a really excellent answer.

**Trinity:** Ok, as a follow-up, what made you decide to teach your kids to swear so well?

**Iris:** I cannot take the credit for that. Their little friends and own minds helped them enough on that one.

*[AUDIENCE] SnArF answers "Liar. She swears to me all the time!"*

**Trinity:** So you'd take credit if they burped well then? ;)

**Iris:** More I'd take credit for the good grades they get ;)

**Trinity:** Nice. Now here is the money question.

**Trinity:** Is Big Bad Ron 'big', bad or both?

**Iris:** He's taller than me, so I guess you could say he is big. Bad?? No.. But he can be a jerk at times.

Trinity nods in total belief.

**Trinity:** Okay then... So tell us, how much vodka does it take Iris to turn into CRAZY, twerking Iris?

*[AUDIENCE] SnArF answers "GREAT QUESTION. Oh, @force would be so fun right now :)"*

**Iris:** None will ever get to twerking, but not too much to turn me into a giggling person.

Trinity knows.

Trinity also appears unconvinced.

**Trinity:** I feel like if you drank ALL the vodka your brain wouldn't KNOW you're twerking though.

**Trinity:** But anyhoo, let's move on to the next set of

**Trinity:** Okay then: How about if you had to eat a crayon out of its box, what color would it be?

**Iris:** Eat a crayon? Hard pass :P.

**Trinity:** Hmm so then maybe you like all colours? Tell us, on a scale from one to ten, what's your favorite colour?

**Iris:** Green has always been my favorite :)

**Trinity:** But that's not on a scale from 1 to 10.

Trinity grins

**Trinity:** Okay! Would you rather only be able to use a fork or only be able to use a spoon? And Why?

*[AUDIENCE] Russ answers "You didn't mention knives, and that's racist."*

**Iris:** Spork would be great.. But if I had to choose a fork, I use those more than spoons anyways.

**Trinity:** Good good. Next one - would you rather have edible spaghetti hair that regrows every night or SWEAT maple syrup?

**Iris:** Ewww.

**Iris:** I guess if I had to choose, it would be edible hair but I wouldn't eat it :P.

**Trinity:** So you'd end up with Rapunzel spaghetti hair.

**Iris:** Nah I would shave it all off every morning.

**Trinity:** Next one - would you rather give up bathing for a month or give up TCZ for a month?

**Iris:** Definitely TCZ. I could not go without bathing for a whole month. Yuck

**Trinity:** But think of all the achievements you're missing!

**Trinity:** Only a few more to go! If you could make a rule for a day and everyone had to follow it, what would it be?

**Iris:** Alright this one is difficult for me. So many choices :)

Trinity waits and tosses confetti in the air

**Iris:** Well I guess it would be everyone would have to log into TCZ for at least 8 hours and not idle more than 10 minutes :)

**Trinity:** That is a strange, strange rule.

Iris shrugs, I didn't know what to say.

**Trinity:** Ok last one - what do you think of the human

questions.

**Iris:** If I drank all the vodka I would be dead on the floor :P.

**Trinity:** Who is your favourite TCZer and why is it Trinity?

Trinity listens intently

Trinity watches on zoom as Iris makes up a phone excuse

Trinity watches her search for an answer on her desk

**Iris:** Well I cant say I have a favorite person on TCZ, but you are in the top 10 ;)

Trinity nods knowing she's #2

**Trinity:** Because I know who #1 is....Why are you always asking SnArF for his hand in net.marriage?

Trinity hums the wedding song

**Iris:** I cant recall ever asking Snarf for that, maybe he was dreaming.

[To you and his friends] SnArF GASPS! [to Iris]

[To you and his friends] SnArF fremoves you [to Iris]

[To you and his friends] SnArF cries

[To you and his friends] Matt dishes out the Aloe Vera.

[To you and his friends] SnArF sobs

[SnArF (Friend) (Admin) has disconnected.]

**Sonya shouts "This just in! SnArF proposed to Iris and they are getting married in the church!"**

species? I need an outsiders opinion.

**Iris:** Haha funny :P.

*[AUDIENCE] Russ answers "Iris, so tell me how many times you were on TCZ and you actually acknowledged the people you were talking to were from the same planet."*

Trinity looks around innocently

**Iris:** As a whole I believe the human species that I belong to, is a little mixed up at times and need some work. But there a few gems out there that I adore.

**Trinity:** Aww sweet.

**Trinity:** Well, Iris, it's been nice chatting on Spod to Spod.

**Trinity:** Appreciate you being such a good sport!

**Iris:** It was great to be here, and I look forward to seeing who is up next ;)

**Trinity:** Thanks for listening folks. A transcript will be on the website next month.

---

Iris heads off to the Tournament Room to set up a Strip Poker tournament... (Type 'TOURNAMENT' to follow!)

Iris waves her hand and disappears from the room.

Iris has left.

## WHAT IS A MUD?

A MUD is a multi-user game, adventure/role playing game, talker or Bulletin Board System (BBS).

Players can view rooms, objects, players and actions performed. They interact with each other and the world by typing commands that resemble a natural language.
